Beryl Wilson, Peter Tabulo

Introduction of New Members

Darryl Exelby – Bentley Park College

Ian Eccles and Bill Hickson – Catholic Diocese

Vanessa Maruna and Allan Savina – Pregno Family Investments

Previous Minutes

Bruce Corcoran – Need to include discussion about urban breaks being taken out of the SEQ Plan

Business Arising from Previous Meeting

Tracy Fantin –when will the consultants reports be available for viewing?

Cr Lanskey informed that they will be available next week at the Library. They will not be available on the Council website.

Bruce Corcoran – Issues Register – What is its purpose? Do the issues get looked at during every meeting?

Sandra Burke – The Register is meant for continuing items of business, they will be looked at during each meeting if there is something to report on them.

Feedback from Reference Group

Brett Moller – Asked for an update on Draper Road completion

Cr Gregory – Mid September completion is the latest estimate.

Bruce Corcoran – Water and waste impacts of the Mount Peter area on the catchment is an ongoing issue and concern

General Business

Ken Hardwick – What is the effect of FNQ2025 Regional Plan?

Cr Gregory – FNQ2025 endorsed the Mount Peter Master Planning process

Cr Lanskey – Vegetation protection – need a policy to be applied to Southern areas as there is for the North

Next Meeting

To be advised.

Meeting close – 5:20pm

Thank you.
